Hi, Sam – this will confirm our telephone conversation just now in which I advised you that based upon our knowledge today of the connections between Mr. Golden and Mr. Katzman, we would not assert that Mr. Golden is not disinterested.

Beth, thanks for your email. I will be traveling tomorrow, but can be reached on my cell at 615-330-4522. Will be on a plane from 8:15-10:25, but am available before and after. If you need to speak with someone else during that time, Bob is up to speed. Thanks again,
Sam.
